

**MARRIOTT
SHOALS**

THE MARRIOTT SHOALS HOTEL AND SPA is nestled on the banks of the beautiful Tennessee River in Florence, Alabama. We are only a short drive to larger cities such as Huntsville, Nashville, Birmingham, and Memphis. As one of the stops on The Robert Trent Jones Golf Trail, we offer two separate playing courses, located 15 minutes away from the hotel. Our area is rich in history, featuring ancient Native American landmarks, Civil War-era buildings, and Ivy Green, the childhood home of Helen Keller. Florence also echoes with musical heritage—visit “The Hit Recording Capital of the World” where The Rolling Stones, Aretha Franklin, and Bob Dylan laid some of their most famous tracks. The Alabama Music Hall of Fame offers a glimpse into the state’s rich musical heritage, from W.C. Handy “The Father of the Blues” and Sam Phillips “The Father of Rock and Roll” to modern bluegrass, jazz, and gospel.
